Description

A French verdure landscape tapestry from the 19th century, centrally woven, depicting a crane standing in the luxuriant grassy banks and exotic flora of an idyllic wooded area beside a stream. Within an elaborate border of flowerheads and scrolling vines and floral motifs. Wool with silk inlay.

Hanging: The tapestry comes ready for hanging, with linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate your needs. We now have a large selection of antique

tapestry rods available as well, which we can provide detail upon request.

For additional information about this style of product, visit our Glossary page in the About drop down menu at the top of this page.
