Description

A French loomed Sphinx tapestry from approximately 1900, portraying a desert scene with Egyptian locals carrying out their daily routines, but with the looming magnificence of the majestic Sphinx in the background as one of the cornerstones of their land and their cultural community. Within an interlocking geometric border. Wool.

Hanging: The tapestry comes ready for hanging, with linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.
