Description

A French Aubusson rustic landscape tapestry from the 19th century, centrally woven, depicting a young swain traveling with his faithful dog in an idyllic wooded area characterized by placidity and ethereal beauty. With flowering and acanthus plants in the foreground and a

brook flowing into a stream in the distance. Enclosed within an elegant border of floral motifs interspersed with ribbons and vines, along with stylized cartouches and corner embellishments. Wool with silk inlay.

Hanging: The tapestry comes ready for hanging, with linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.
