Description

A French Aubusson chinoiserie verdure tapestry, 18th Century. A small bird to the left, an acanthus bush in the center, and pagodas in the left distance, within a symmetrical scrolling foliate border. Wool with silk inlay.

Hanging: The tapestry comes ready for hanging, with linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the

supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.

For additional information about this style of product, visit our Glossary page in the About drop down menu at the top of this page.
