### Description

A Flemish verdure landscape tapestry from the 17th century, depicting two ducks in a stream in the foreground amongst bird-filled trees in the woods, with rolling hills in the distance. Enclosed by a foliate border with acanthus leaves and flowerheads. Wool with silk inlay.

Hanging: The tapestry comes ready for hanging, with

linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.
