### Description

A French Aubusson allegorical mille fleurs tapestry from the 19th century, portraying a noble man and his lady standing between trees and surrounded by various exotic birds, within a lush and meticulously delineated *mille fleurs* floral setting, with a variety of blooming flowers and plants. Wool with silk inlay.

**Hanging:** The tapestry comes ready for hanging, with linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.

For additional information about this style of product, visit our Glossary page in the About drop down menu at the top of this page.
