### Description

A French Aubusson genre tapestry panel from the 18th century, envisioning a hunter walking with a rifle resting on his shoulder, with a stream and a castle in the distance, and the scene flanked by flowering trees. Enclosed within a scrolling foliate border. Wool with silk inlay.

Hanging: The tapestry comes ready for hanging, with

linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.

For additional information about this style of product, visit our Glossary page in the About drop down menu at the top of this page.
