Description

A loomed European tapestry, approximately from 1920, envisioning a verdant landscape, with various bushes, flora, and acanthus plants in the foreground, large trees in the middle distance, and a stream flowing into the background. Wool, with tones of blue-grey and blue-red. Excellent condition.

Hanging: The tapestry comes ready for hanging, with linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate

your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.
