### Description

A loomed French landscape tapestry from the first quarter of the twentieth century, circa 1920, picturing a wooded area by the waterside, with various trees, bushes, and acanthus plants. Enclosed by a lush border filled with fruiting and flowering motifs. Wool.

Hanging: The tapestry comes ready for hanging, with linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the

supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.
