Description

A framed French rustic tapestry from the 18th century, envisioning a pedant seated on a barrel, instructing a group children in music and the arts within a verdant setting. Enclosed by a narrow ribbon-twist border. Wool with silk inlay.

Hanging: The tapestry comes ready for hanging, with

linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.

For additional information about this style of product, visit our Glossary page in the About drop down menu at the top of this page.
