Description

A Brussels historical tapestry panel from the 17th century, allegorically depicting Cleopatra with an asp at center left, and another woman, possibly Cleopatra's handmaiden, Charmian, at center right with a large fishing hook, with formal greenery to the left and right of the central tableaux. Wool with silk inlay.

Hanging: The tapestry comes ready for hanging, with linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.
