Description

A Flemish Chinoiserie landscape tapestry from the 17th century, featuring an exotic bird in the grassy banks of the foreground, overlooking a pagoda in the distance beyond the stylized trees in the middle ground. Enclosed within a pair of narrow monochromatic borders. Wool with silk inlay.

Hanging: The tapestry comes ready for hanging, with linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the supplied hook and loop tape, which could be tacked to

your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.
