### Description

A Flemish Baroque landscape hunting tapestry from the

late 17th, depicting a young archer carrying a bow and arrow within a forest in a meadowland setting. Enclosed within a border of fruiting and flowering elements, with a familial crest in the upper border. Wool with silk inlay.

**Hanging:** The tapestry comes ready for hanging, with linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.
