Description

A Brussels verdure landscape tapestry from the 17th century, featuring a verdant landscape with stately and exotic trees at right, a striking acanthus bush in the foreground, and a lake in the distance. Enclosed within a foliate border of flower heads and floral sprays, with central bouquets anchoring the upper and lower panels. Wool with silk inlay.

Hanging: The tapestry comes ready for hanging, with

linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.

For additional information about this style of product, visit our Glossary page in the About drop down menu at the top of this page.
