Description

A Scandinavian Arts & Crafts Tapestry from the late 19th

century, envisioning nine birds in a floral reserve at top, somewhat reminiscent of a *mille fleurs* setting, with a large cartouche below center, flanked by fields of small flower heads at lower left and right. Enclosed within a narrow monochromatic border. Wool with silk inlay.

Hanging: The tapestry comes ready for hanging, with linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.
