Description

A French tapestry from the end of the 17th century, incorporating verdure and rustic elements, with a romantic scene on the foreground of two young men pulling a young girl's swing. The scene takes place in a woodland environment, with trees in the foreground. Enclosed within a trompe l'oeil border, decorated with head flowers. Wool with silk inlay.

Hanging: The tapestry comes ready for hanging, with linen backing and a strip of hook and loop tape at the top

end, which can be connected to the opposite side of the supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.
