Description

A European rustic tapestry from the 17th century, envisioning two peasant women working in the field in the foreground holding their tools. In the background, a man and a woman embrace each other in the shadow of the trees. This tranquil scene takes place in a verdant setting, between a forest and working fields. Enclosed within a frame border, interspersed with various flowerheads. Wool with silk inlay.

Hanging: The tapestry comes ready for hanging, with linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate

your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.
