Description

A Flemish tapestry from the 17th century, incorporating verdure and rustic elements, with two rustic men walking in a woodland environment, with acanthus plants in the foreground, a stately tree at right, and further trees and grassy hills in the distance. Enclosed within a scrolling foliate border. Wool with silk inlay.

Hanging: The tapestry comes ready for hanging, with linen backing and a strip of hook and loop tape at the top end, which can be connected to the opposite side of the supplied hook and loop tape, which could be tacked to your wall. For those who prefer the use of a tapestry rod, we can add the appropriate size loops to accommodate your needs. We now have a large selection of antique tapestry rods available as well, which we can provide detail upon request.
